## BRACELET MEASURING GUIDE

A cut out measuring guide making it easier for you to select the right bracelet size.

- Cut along the dotted line around the measuring guide.
- Cut along the smaller dotted line located above the word 'cut here' on the measuring guide'
- Wrap the measuring guide around your wrist, making sure the numbers are on the outside.
- Insert the pointed end through the slit you created at the square end of the measuring guide.
- Pull the pointed end until it fits comfortably on your wrist.

The document must be printed on A4 paper and the option 'DO NOT SCALE' should be selected, please check accuracy by measuring against the bottom right ruler.

**\* PLEASE NOTE | The Jewelhut measuring guide is an indicative guide only and therefore may not be an exact measure.**
